Northern Ireland Hospice

The Northern Ireland Hospice would like to thank all the church congregations across Northern Ireland who have already responded to their recent emergency appeal to raise a challenging **£27,600**. The reason they need this money so urgently is to replace their stock of 20 syringe drivers which regrettably no longer comply with new European safety standards just released. To date they have received an amazing **£7,215** from churches which means they can go ahead and purchase the first 5 new syringe drivers at £1,380 each. But they still need to buy a further 15 to enable them to meet the needs of all their patients receiving hospice care. If you would like to make a donation either call on 02890 781836 during office hours or post a cheque, made payable to Northern Ireland Hospice and post it with an enclosed donation form which can be found at the back of the Cathedral to: **NI Hospice Syringe Driver Appeal, Head Office, 18 O'Neill Road, Newtownabbey. (Please enclose your contact details so that they can write to thank you)**
